on Mohomedan education and how the proposed help could, in his opinion, be best utilised in the cause of Mohomedan education.

2. The Inspector General's (Mr. J Weir) detailed reply is now received. He reports that Rs 91,023/- are at present spent on the Mohomedan education and says that there are two ways in which the proposed grant of Rs 50/- can be utilised viz. (1) in awarding Mohomedan scholarships and (2) in strengthening and making one of the Mohomedan Schools into a really good Middle School in a place like Bangalore. As regards the point after above, the Inspector General says that at present Rs 1207/- are being spent on Mohomedan scholarships in High Schools and Colleges and that the addition of Rs 50/- ~~thereto~~ may be granted to provide additional scholarships without alteration of the rates prescribed in Notification No. D-32, dated 16th April 1902, (a printed copy of which is enclosed ~~herewith~~ forwarded with the Inspector General's communication). Fuzrai Department, B a n g a l o r e.

SIR,

With reference to your No. 741 dated 28th July 1906, I have the honour to inform you that the amount budgeted for on account of Mahomedan education during the current year is Rs.91,023 as follows:-

	State Fund.	V.S. Fund.	Total.
Govt. Boys' Schools.	----Rs. 37,311	-------Rs. 12,708	---- Rs.
" Girls' "	----Rs. 17,964	-------Rs. 1,764	
Aided Boys' Schools.	--- Rs. 2,592	"	
" Girls' "	--- Rs. 2,232	"	
	Rs. 60,099	Rs. 14,472	Rs. 74,571
Scholarships - In the State	-- Rs. 1,440		
At Aligarh	---- Rs. 2,400		
			Rs. 3,840
Inspection - Dy. Inspector's pay	Rs. 1,320		
Establishment	Rs. 1,140		
2 Asst D.I's pay	Rs. 1,200		
Establishment	Rs. 936		
			Rs. 4,596

Munshis in Colleges, High Schools and Normal Schools.	Rs.8,016	Rs.8,016
		Rs. 91,023.

2. With reference to the disposal of Rs.50 available from the Muzrai Funds, there are two ways in which the money could be utilized for the advancement of Mahomedan education. The first and easiest way would be to increase the amount spent on Mahomedan Scholarships. At present there is a monthly grant of Rs.120 for scholarships in Colleges and High Schools. But the number of applicants is always in excess of the number of scholarships available, and an additional amount of Rs.50 per month could very easily be used in providing additional scholarships without altering the rate as prescribed by Notification D. 38 dated 16th April 1902, a copy of which is enclosed.

3. The alternative way in which the amount could be utilized for the promotion of Mahomedan education would be to strengthen one of the Mahomedan Schools, and make a really good Middle School, say in Bangalore. At present there is a general feeling among Mahomedans that there is not a really good Mahomedan Middle School in the State, and applications are increasing for scholarships to enable young Mahomedans to go to study at Aligarh. There is every probability that these applications will go on increasing, and if they are refused there is certain to be a growing feeling of dissatisfaction, when some boys are given scholarships and others with about the same claims are refused. If on the other hand all applications are to be favourably considered the expense to Government is likely to prove prohibitive. So far as Middle School education is concerned the difficulty would be met by improving one of the Mahomedan Schools of the State and providing a Students' Home on a less ambitious scale than at Aligarh. If such a scheme is approved the amount of Rs.50 may be taken as a contribution to the additional expense involved.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Inspector General.

MY. RE GOVERNMENT

MUZRAI SECRETARIAT

Myf 52-06-4

Honoured Sir,

I beg leave to state that I am prosecuting my studies for the First-in-Arts Examination in the Central College, having passed the Matriculation Examination held in December 1906. The facilities offered by the Government of His Highness the Maharaja of Mysore in matters educational are indeed so many that I did not think it would be to my advantage to secure a Government Scholarship to prosecute my studies either at Aligarh or elsewhere. Bangalore has everything that can be desired in matters educational and I have therefore decided on prosecuting my studies here.

I may mention that I belong to an ancient and respectable Mohammadan family which is unfortunately in very poor and humble circumstances now. I am anxious to prosecute my studies with a view to qualifying myself for a becoming situation in which I may render my humble services to the State

I shall esteem it a great personal boon if your honour will be graciously pleased to grant me a monthly scholarship of Rs 15/- from the Tippoo Sultan's Gumbaz Fund till I take my degree. I need hardly say that this Scholarship, small though it may be, will materially help me in defraying Hostel and other charges incidental to my life as a student

A certificate of character and hardwork has been submitted herewith for kind perusal.

With sentiments of profound respect, and praying for your honour's long life and continued prosperity,

I beg to remain,

Honoured Sir,

Your most obedient Servant,

Syed Amir Ahmad.

Old Sawar Line,
Bangalore.
30th: May 1908

This is to certify that Syed Amir Ahmad has been a student in the Central College since he joined the High School in 1903. He passed the University Matriculation Examination in Dec. 1906, and thereafter joined the Intermediate Class, having obtained a Government Mahomedan Scholarship. He is now in the Senior F.A. Class, and during the work of the Class with regularity and intelligence. He has always borne an excellent character as a student, and I hope to hear of his being successful in the University F.A. Examination at the end of the year, as he has had many difficulties to contend with during his college course.

To the Secretary

usual course

Most respected Sir,

I the undersigned Mohamad Majmuddin, your honour is aware both a student and a servant of you, most humbly beg to bring the following to your kind and favourable consideration with the hope that my humble prayers will meet with success.

I was transferred at the time of Mr. F.C. Carr to Sagar Taluk. As my failing health did not permit to proceed to that place I had to take one years furlong which ends in June next. I have put up 33 years of Government Service without any blot on my conduct and to the content of my superior officers, and it is the time for me to retire now. According to the recent Police regulations I was getting Rs 135 per mensem. My income in furlough and after which the retirement follows has been reduced to only half of the above amount. In this small sum I have to maintain my own family and a large family of a widow sister of mine and I cannot describe with what a difficulty I am maintaining them. I would have proceeded to Sagar duly to meet these hardships, though for a year or two, but my ill-health has prevented me to do even that.

I have nothing to request and trouble your honour for myself as my fate is quite settled now. I have a nephew by my widow sister who having come upto the Senior F.A. class through great hardships and difficulties had to discontinue his studies, owing to the lack of help in the middle of the fourth Term abruptly. His concern had made me to approach you about two years back with a request to grant him a Scholarship of Rs 25, so that he may peacefully continue his studies either in Bangalore or in Mysore. But his request was responded by the Inspector General of Education that such a Scholarship shall only be paid if he will proceed to Aligarh.

Now the regulations of the Allahabad and M. Madras Universities quite differ from each othe and it will not help him to appear for the next Intermediate Examination at Aligarh even if he proceeds there now.

There are fifty or Sixty thousands rupees in the Tippu Sultan's Gumbaz Fund. From the interest of this money about sixty rupees per month are Spent by the Educational Department in the establishment of two Hindustani Schools one in Seringapatam and another in Mysore. I most humbly draw your kind attention to the fact that not a single boy has ever passed a Hindustani Lower Secondary from these Schools from the past so many years of their establishment. If the Gumbaz money be Spent in such a way I most respectfully request you to consider whether it is not more usefully employed if it be Spent after a poor deserving and prominent Mohamadan Student so that he can manage his hostel and other charges and peacefully prosecute his Studies.

Though it is needless to mention before

lineage, I still humbly take the liberty to repeat once more that I am very closely related to H. H. The late Tippu Sultan through Nawab Mir Mahmood Ali Khan Bahadur, his cousin and through my maternal grand-father Nawab Mir Hamruddin Ali Khan. I have also claims in the above Fund, being the grandson of Maulvi Mohamad Habibullah Sahib, Private Secretary to Tippu Sultan and after his fall the Chief Justice of Seringapatam. And my nephew not only holds relation with Tippu Sultan through his mother, but is also descended from one of his greatest and loyal generals.

Such being the case I most respectfully approach you with the humble request to be graciously pleased to grant him a Scholarship of Rs 20 per month from the above Fund till he takes up his degree. By so doing you will not only save a person from the wreck in life but will uplift a family which is almost a level with ground.

Humbly requesting again to kindly consider his case and hoping that my prayers will graciously be granted, with prayers for your honour's long life and continued prosperity,

I am
your most obedient and
humble Servant,

Syed Fazlullah

GENERAL RUSTHUM KHAN

Be it known that when an admonition to Rana was desired, and when our army encompassed his territories and reduced him to straits, foolish Akber being young was led astray by a few disloyal people and turned a rebel. He did some such actions that did not become him. When he saw that he was not strong enough to oppose the Royal Army he fled away and wandering with the servants of the late Raja Jeswanth Singh, reached the territories of the Rana. The Rana, being afraid that it would lead to his own ruin, did not allow the Prince to remain; this bewildered him much and he went towards Deccan. He has now joined with that hellish, disloyal's son. On the occasion of the second attack of Prince Mohomed Auzum, Rana with some shrewdness surrundered himself and took up the service of the Prince, abided by all the Imperial mandates, consented to pay jezia and fine, agreed to drive out of his realms the servants of the deceased Raja Jeswant Singh and other rebels; thereupon all his faults were forgiven, and we were quite at ease.

Now, that renowned Prince Mohomed Auzum has been appointed by us to destroy that hellish renegade with a large force and artillery. If God please, the army will march towards Deccan in the beginning of Shaban.

It is therefore hereby ordered, that as there is no better opportunity than the one presented now, to retake the forts and impregnable places of Bijapur that are in the possession of that traitor, hence you shall join in this invasion, taking General Khane Jehan Khan Bahadur along with you; that you shall prove your loyalty by working up all the devices, and having regard to the welfare of our reign, and shall expect our graces.

HONORABLE SYED MAKHDOOM,

Be it known, that we have received your petition regarding your arrival at our camps and offering yourself for service in our army. We have understood your good will towards our rule, and we expect all this from you. We are graciously pleased to present you with a sword and Khasa Khillat. Accept them.

This is to certify that the bearer HABBEEB ULLA, was formerly Secretary to the late Tippoo Sultaun, and after the subjugation of his Government, he was, at the recommendation of the Commissioner for the affairs of Mysore, appointed Kaziee of the Court of Phousdary of Seringapatam in April 1801, in which situation, he served seven years under my immediate control, with credit to himself, and fidelity to the public, and in all that time, I never found the least cause to be displeased with his public or private conduct.

Secretary to the Government of H.H. the Maharaja of

SIR,

With reference to your letter No.5597 dated 29th May 1907 and subsequent reminders, requesting my opinion on Mr J. Weir's letter No.4283/675 dated 14th December 1906, submitting proposals regarding the disposal of Rs.50 per mensem to be made available from Muzrai Funds for the advancement of Mahomedan Education in Mysore and also to submit definite proposals in the matter, I have the honour to inform you that it will be well to utilise Rs.20 out of the amount, for additional scholar-ships for Mahomedan boys at the rates fixed by Government Order No.16585-7/Ed F 13-96 dated 11th April 1902. At present on account of the smallness of the scholarship grant most of the applicants from the IV Forms of High Schools receive no scholarships.

2. I would utilise the remaining Rs.30 to institute a few scholarships for deserving Mahomedan girls reading in the IV and V Vernacular Classes of Hindustani Schools. At present the amount of Rs.120 per mensem for Mahomedan scholarships from

from State Funds is utilised to grant scholarships to boys only. No scholarships are provided for Mahomedan girls similar to those granted to female pupils of the Hindu Community. Under these circumstances I would take this opportunity to recommend that out of the amount of Rs.50 a month to be given from Muzrai Funds, a sum of Rs.30 may be set apart for the scholarships of Mahomedan female pupils reading in the IV and V Vernacular classes at the rates of Rs.2 and Rs.3 per mensem respectively.

3. I beg to return with thanks the enclosures forwarded with your letter No.303 of 18th July 1908 and No.484/Muz 104-08 -12 of 17th December 1908.
